We have updated the spreadsheet through December 2006. Please take a look at it and let us know if there is anything that we may have missed. Thanks.

Subject: Huntington Creek Hydrological Data for 2006

Hi Tyler and David.

It has been a long time...I apologize for being so late on getting our data to you. Can you please add all our 2006 data to your spreadsheet and send it back to me. Once I have an updated spreadsheet from you, I will forward it to DOGM. Remember, our monthly precipitation and evaporation data is located in the lower left part of the spreadsheet. I am also including the last spreadsheet that you sent me. Let me know if you have any questions.

David, I am not ready to turn you loose on updating your report yet. I will need a few days before I can approve that work. But we can at least get a jump on getting the data input through 2006.

Thanks guys.

Cody Allred
